

The background features a light gray geometric pattern of overlapping triangles. In the center, two dark gray silhouettes of human heads are shown in profile, facing each other. Between them are two overlapping speech bubbles, one light green and one light blue, both with a darker shade at the bottom. The text is overlaid on this graphic.

Logistics and announcements

PSYC 11: Laboratory in Psychological Science

Jeremy R. Manning
Dartmouth College
Spring 2026

Final projects start next week!

Getting Ready

- Start brainstorming **ideas** and **skills**
- Review slides and labs from the first 5 weeks
- On Monday you'll **pitch ideas** (1 min max, no slides) and form 2--3 person groups

Weekly snippets

Starting Monday

- Quick (5 minute) check-in, submitted via Canvas -- worth 1 point (credit/no credit)
- Answer 3 questions (2--4 sentences each):
 - What did you work on last week?
 - What are you planning to work on this week?
 - What are you stuck on?

Remaining schedule

Weeks 6--10

- **Week 6:** implement your experiment
- **Week 7:** human subjects training, collect data
- **Week 8:** analyze data
- **Week 9:** interpreting results + public poster presentation
- **Week 10:** wrap-up (paper and final poster)

Use today for group work

Today's Plan

- Wrap up your literature review lab
- Start thinking about final project ideas
- Use this time to ask questions and get help from TAs
